

FROM THE HELM

Commodore – Gary Sanders

The holiday season has started, and we hope to continue adding activities to our calendar. Last month, in addition to our normal events, we added a deck party (thanks to Katharina and Michael Kiehne), we were invited by “The Marauders” to join their Halloween Party and we resumed our annual “Picnic on Talbot”. Our water sampling efforts continue as does our end of month races. Please let us know if you have any requests or ideas for us to consider for next year.

Planning is underway for the Holiday Party which is still scheduled for Friday, December 2nd. The announcement and sign-up form should go out by email next week.

It looks like we should have a good turnout at our Thanksgiving dinner next Tuesday. If you have not yet signed up, please do so to ensure that we buy a big enough turkey! Per our normal calendar, we do not have a speaker planned but will be conducting our required annual vote of officers. It is not too late to volunteer or nominate someone for a 2023 term.

See you next week. Gary

**AISC Club Racing -

We had quite an interesting race on Saturday, October 29th. Just before the start of the race, the Coast Guard informed us that we needed to make a change in our course. A sub was coming in between 10:00 and 12:00, basically any time during our race. A quick course change had us going around buoy 2, and then south to the marina, north to 4-5 and repeat.

Going south was easy. Heading back north into the strong incoming tide was an adventure. At least we had plenty of wind. Misty was first, Morning Glory was second, and Salty Sally was third. Unfortunately, Rebecca's Reach succumbed to a broken tiller just short of the finish line. I had a unique experience of starting the race and then changing hats to be crew, all on the same boat, Morning Glory. It was a lot of fun, and we sure did a lot of scrambling around back and forth. We will be having our last race of the season November 19th.
